

# Tanoma Wetland Trail

2021

ENJOY A BEAUTIFUL AND INFORMATIVE MILE WALK THROUGH THE TANOMA WETLAND. BE SURE TO PICK UP A PAMPHLETE AT THE PAVILION TO LEARN ABOUT HOW THE WETLANDS PROCESS ABANDONED MINE DISCHARGE. ADDITIONALLY, KEEP AN EYE OUT FOR THE SITE'S EARTH CACHE TEST AND GEOCACHE!

Special thanks to Evergreen Conservancy for the information provided for this walk. [www.evergreenconservancy.org](http://www.evergreenconservancy.org)
