2020 Census Partnership Pledge Form

Thank you for becoming an official 2020 Census partner! The U.S. Census Bureau appreciates your support in ensuring the success of this monumental effort.

The census provides vital information for you and your community. Your support as a 2020 Census partner is important. Here's why:

- It determines how many representatives each state gets in Congress and is used to redraw district boundaries. Redistricting counts are sent to the states by March 31, 2021.
- Communities rely on census statistics to plan for a variety of resident needs including new roads, schools, and emergency services.
- Businesses use census data to determine where to open places to shop.
- Each year, the federal government distributes more than \$675 billion to states and communities based on Census Bureau data.

The goal of the Census Bureau's partnership program is to combine the strengths of local governments, community-based organizations, faith-based organizations, schools, media, businesses and others, to ensure a complete and accurate 2020 Census. The Census Bureau will provide promotional materials, regular updates and data assistance to partners to assist in this effort. Together, through this partnership, we can ensure the 2020 Census message is delivered to every corner of the nation.

Achieving a complete and accurate 2020 starts with you!
